

**Научни трудове включени в дисертационният труд
на ас. Красимира Петкова Дикова**

1. Dikova, K., Kamenova-Nacheva, M., Kostova, K., Dimitrov, V. *Bulgarian Chemical Communications* **2014**, *46*, *Special Issue A*, 33-38. Enantioselective addition of diethylzinc to ferrocene carbaldehyde – reaction outcome by using natural compound based catalysts.
2. Dikova, K., Kostova, K., Simova, S., Linden, A., Chimov, A., Dimitrov, V. *Polyhedron* **2019**, *165*, 177-187. Synthesis and crystal structures of chiral ferrocene and ruthenocene substituted aminomethylnaphthols obtained through Betti-condensation.
